6. [REDACTED] LIAISON Called Duane Barnes, Library of Congress, and told him that the August 1972 wall chart entitled "Evolution of the Central Administrative Structure of the USSR" which he requested, was no longer available. I told him that if his request was on behalf of a Member of Congress, perhaps we could be of assistance in another way (such as offering a briefing), and asked him to refer the Member directly to us. He said he would pass this information on. 25X1
